# MUHAMAD IRFAN HAQIM BIN ABU HASSAN

>>>

PERSONAL SUMMARY

I am a science computer student of UiTM Segamat, Johor. I'm proficient in several programming languages and systems. I am eager to learn some valuable skills and real-life working experience from your company. I work well with designing and multimedia-related things such as front-end in web development. **Internship Period (12 September 2022 - 23 February 2023) 6 months.**
